CERTIFICATE OF TRANSMISSION UNDER 37 C.F.R. §1.8

I hereby certify that this correspondence is being facsimile transmitted to the United States Patent and Trademark Office

on April 7, 2004
Date

Mark Watson
Signature

Mark Watson, Reg. No. 41,370
Typed or printed name of person signing Certificate

This correspondence includes the following attached papers:

1. Copy of Substitute Specification under 37 C.F.R. § 1.125(b), with markings showing changes made (26 pages).

The attached substitute specification, with markings showing changes made, is being provided at the request of the Examiner. Note that the attached substitute specification includes exactly the same changes that are fully identified by page and line number in the office action response filed by the Applicant on 10/17/2003. Further, the attached substitute specification is identical to the previously filed substitute specification, with the addition of markings showing changes made to the original specification filed on February 18, 2000. No new matter is included in the attached substitute specification.

This message is intended for the use of the individual or entity to which it is addressed, and may contain information that is privileged and confidential. If you are not the intended recipient, or the employee or agent responsible for delivering the message to the intended recipient, you are hereby notified that any dissemination, distribution, or copying of this communication is strictly prohibited. If you have received this communication in error, please notify us immediately by telephone and return the original message to us at the above address via the U.S. Postal Service.

If there are any problem with this transmission, please call (805) 278-8855.
